

Gilroy Yamato Hot Springs Public Forum

Sponsored by Henry W. Coe State Park and Friends of Gilroy Hot Springs

Thursday, January 12th, 2012
6:30pm-8:30pm

at

El Toro Room, Morgan Hill Community and Cultural Center
17000 Monterey St.
Morgan Hill, CA 95037

Henry W. Coe State Park is conducting initial assessment and planning process to make recommendations for a viable management plan for Gilroy Hot Springs. The goal of this plan is to find a way to restore public access to Gilroy Hot Springs.

This meeting is open to the public and will include:

- A briefing on current use and situation of Gilroy Hot Springs at Henry W. Coe State Park.
- A public participation process to receive recommendations towards the management of Gilroy Hot Springs.
